My Home Learning Journey Grid: Week beginning: 18/05/20

Phonics

Your child will need to learn to read a selection of tricky words. They could practice them by playing snap with the words, bingo, or you could even hide them around your home for your child to find and read! Tricky words of the week: like, so, do, some, come.

Can you play a game of I spy? Focus on what sounds each word begins with.

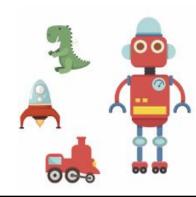

Please log onto the RWI website to watch the live phonics lessons; phase 2.

How many different sounds can you make? E.g. clap, stamp, whistle.

Special Family Task

Use your toys to tell a story.

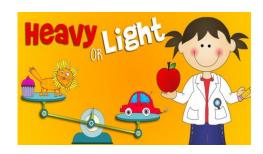

Once the story has finished ask each other questions about the story, or questions that will extend the story, e.g. 'what happened to (character)? Where did they go/ what did they do?'

We would all love to see your Storytelling on Tapestry!

Add your photos and videos onto Tapestry. Also check the school website to see pictures of what your friends have been up to!!

Maths

Choose an object and then find 5 things that are heavier and 5 things that are lighter than your object. Repeat with other objects.

Roll a dice or turn over a number card and then ask your child to show you one more and then one less than the number on their fingers.

Challenge to use numbers to 20!
