

# Australia

**We would like you to start looking at the continent of Australasia**

Start by <sup>\*</sup>locating it on a world map and try drawing the outline of Australia.

Can you locate the following and add them to your map? You will need the internet to help you.

Rivers?

Mountain Ranges?

Forests?

Deserts?

The Coral Reef?

Major cities?

How big is Australia and how many times could the UK fit inside it?
