My Home Learning Journey Grid: Week beginning: 22/06/20

Phonics and Writing

Place a selection of letters in front of your child. Say a word and ask them to make it by moving the letters in front of them.

To draw a picture of themselves and to write a simple sentence about what makes them special and unique! For example 'I am kind'.

Please log onto the RWI website to watch the live phonics lessons; phase 2 and 3

Ball skills. Can you catch, throw and kick the ball to another person?

Special Family Task

Story Time

Can you retell your favourite story?
You may also want to act it out.
Are there any props that you need to help you to retell your story?

Add your photos and videos onto Tapestry. Also check the school website to see pictures of what your friends have been up to!!

Maths

Draw a ladybird with an amount of spots on one side up to 5. Ask your child to draw the same amount on the other side to double the number. Count all the spots and say the double together e.g double 4 is 8.

Use different sized containers/pots to fill up with water and pour out. This can be in a water tray, sink or bath. Talk about which are full, empty, half full. Which container will hold the most/least?
