

Down in the Jungle
My Home Learning Journey Grid: Week beginning: 06/07/20

Phonics and Writing

Show your child the set of sound cards.
Record how many they know and set a challenge to learn at least two more sounds together by the end of the week.

Make a list of all the things they found on their scavenger hunt around the house/garden.

Please log onto the RWI website to watch the live phonics lessons; phase 2 and 3.

Help! One of the animals has frozen-how can we rescue it?

Special Family Task

Can you find all of the objects on the list above?

Have a look on the internet for many more scavenger hunts! Both inside and outside!

Add your photos and videos onto Tapestry. Also check the school website to see pictures of what your friends have been up to!!

Maths

Gather a selection of objects from around your house, count how many and then write that number down on a piece of paper.

Play guess my 2D and 3D shape. Describe the shape using its properties for your child to guess. Your child can then describe it for you to guess. e.g. it has four sides, it has two long sides and two short sides
