

# TEACHREX

• NEW AGE EDUCATION •

Teacher's Pet have proudly teamed up with the creative guys over at TEACHREX to bring you a brand new creative writing project that is perfect for home learning.

[www.tpet.co.uk/teachrex](http://www.tpet.co.uk/teachrex)

Follow the adventures of Buddy the dog and his friend Joe. Watch the videos and ask your children to imagine what adventure Buddy and the dinosaurs will have next. Create your own 'Living with dinosaurs' advice list for Joe! Draw your own poster which shows dinosaurs aren't dangerous. Review the story as it reaches its conclusion.

Send your children's stories to the TeachRex team on Facebook and it could be chosen as the script for the next adventure!

# Buddy's Adventures

What was your favourite part of the story?

---

---

---

---

---

---

---

---

Who was your favourite character and why?

---

---

---

---

---

---

---

---

What future adventures do you think Buddy and the dinosaurs will have?

Use the storyboards to plan and then write your own!
