Dear Parent/Carer

FOOD INTOLERANCE AND ALLERGY UPDATE

As you may be aware, from 1 October 2021 Natasha's Law came into effect.

A requirement of the law is for the academy to label pre-packaged food items with the name of the food, the list of ingredients and declarable 14 allergens.

To have an updated record of your child's dietary needs, we are asking all parents and carers to provide food intolerance and allergy information for their child by clicking on the link below and completing the simple online form:

https://forms.office.com/Pages/ResponsePage.aspx?id=W7WulpRXHEaKS_oMZTTGZXR9gLu2AI5DL1r72YoftaZUMzi2MjZENIVRMDkzVzNaT0hTUDY0R1QyVi4u

If you are unable to complete this form online, please contact the main office and we will arrange for your child to bring home a paper copy of the form.

Please update your child's records by Friday 5 November 2021. If no update has been provided by you by 5 November, we will record your child as not having a food intolerance or allergy.

If you have any further questions regarding food intolerance or allergies or our catering provision, please contact me via the main office.

Yours faithfully

Julie Swatton
Administration Manager
