

This week at WGPA ...

Term 2 – Monday 16 January 2023

WEST GRANTHAM

Church of England Primary Academy

Dear families,

Welcoming difference is our value this term. When I have been talking to children this week, their responses to what they have been learning about were truly inspirational and demonstrated the high quality of behaviours that we show to one another within our school community.

This term's curriculum newsletters have been shared on Class Dojo. These provide you with an insight into the learning that is taking place in school this term. I am looking forward to seeing all of the homework projects once completed.

The builders have started their work on infant site, I will ensure that we continue to share updates in the progress that is being made.

I am looking forward to another busy week in school, as always please do not hesitate to contact me if I can be of any support to yourself and your family.

Kind regards,

Mrs Smyth
