

# This week at WGPA ...

Term 4 – Monday 20 March 2023

WEST GRANTHAM

Church of England Primary Academy

Dear families,

It was wonderful to see so many parents at school last week. We would love to hear any feedback that you are willing to share, I have posted a link on class dojo so that all comments can be gathered together. Parents evenings continue this week, there are still spaces available please talk to your child's class teacher and they will be happy to make an appointment for you.

Reading is a key priority in school, it is extremely important for your child to be heard to read at home, this could be with parents or siblings. Class teachers are monitoring closely and are always on hand to offer support. Children are rewarded in school with reading certificates, Dojo points are awarded each time it has been recorded in their reading diary that they have been heard to read at home. We are currently looking at further reading rewards that we can introduce.

Our Year 6 children had a truly marvellous time at the Space Centre last Friday, the staff who accompanied shared how proud they were of the children's behaviour, they make us all so proud of them.

Kind regards,

Mrs Smyth
