

This week at WGPA ...

Term 1 – Monday 25 September 2023

WEST GRANTHAM

Church of England Primary Academy

Dear families,

I was honoured this week as parents and members of our local community shared examples of how children had demonstrated our values out of school. One example was of two boys that have been constantly getting off their bikes and moving to the side when they pass members of the community in the alleyway. Another was of a little girl who saw another child who was lost, she supported her and returned her to school where she knew that she was safe. We love to hear about the wonderful things that our children demonstrate out of school, so please do continue to share.

Your child brought home a letter last week with details on how to register and give your consent for your child to have their flu immunisation in school. If you require any support with filling the online form, please do not hesitate to come into school to ask for support.

We are delighted to be welcoming Luke Temple, a local author, into school on Wednesday afternoon. He will be sharing one of his novels. Your child will bring home a letter on Wednesday with details on how to purchase his novel if you choose to. Luke will then be back in school on Friday to personally sign any books that are bought (at a discounted price).

Our Trent Road site has been transformed and we are looking forward to welcoming you all in very soon to see for yourself! If you have any questions regarding the move that is scheduled for January, please do not hesitate to ask.

Enjoy your week,

Mrs Smyth
