

This week at WGPA ...

Term 1 – Monday 16 October 2023

WEST GRANTHAM
Church of England Primary Academy

Dear families,

This has been a busy and exciting term in our school. The Ofsted inspectors asked us to thank our 'delightful' pupils. When our report is received, I will share with you all for you to read, as it is currently being written and quality assured by the lead Ofsted inspector.

Our Harvest Festival was a huge success, a special mention to Mrs McGibbon and our collective worship council for leading. The foodbank were truly touched by the generous donations that we shared.

School photographs are taking place on Wednesday morning. If you would like a family photograph taking, please arrive at Trent Road (infant) site from 8am. Individual photographs will then be taken during the school day on both sites.

Miss Marum, our Year 2 teacher, has made the decision to leave our school to pursue a new adventure, so we wish her every success in the future. This has led to a number of staffing changes within school; our Key Stage One lead, Mrs Battersby, is moving into Year 2, Miss Addlesee is moving into Year One and Mrs Thacker is increasing her teaching days in our EYFS class.

I hope that you all have a wonderful half term and that many family memories are made. I will ensure that in my first newsletter next term that all key dates for Christmas are shared, so that dates can be put into your diaries!

Enjoy your week,

Mrs Smyth

Key diary dates:

Tuesday 17th October

Parents Evening- Junior Site (Year 4 to Year 6)

Wednesday 18th October

School Photographs

Parents Evening- Trent Road Site (EYFS to Year 3)

Friday 20th October
