

## Our Collective Worship Songs

*'Music and liturgies used in worship should reflect the best of traditional and modern Anglican worship, it should connect with the theme and explore the sacred to educate and engage. Music used should reflect the diverse worship experience of the wider Christian community. Care should be taken with the music and liturgy: the traditional and modern riches of Christian hymnody and music will be drawn upon, but schools should think about what is most appropriate, at a given time, for the spiritual life of their particular community.'* Collective Worship in Church of England Schools 'Inclusive Invitational Inspiring' Guidance Document (2021)
