

This week at WGPA ...

Term 4 – Monday 26 February 2024

WEST GRANTHAM
Church of England Primary Academy

Dear families,

Year 3 led their class assembly last week, they talked about our school value of love and its biblical link. The children spoke with confidence and shared how we promote the value in our everyday school life. Mrs Gliddon and I were extremely proud of Year 3. Thank you to all parents who completed feedback, your voice is extremely important to us. We are looking forward to welcoming Year 2 parents into school next week.

World Book Day 2024 is fast approaching, which will celebrate that children are more likely to enjoy reading when their choices are championed and we make reading fun. *Read Your Way* calls on everyone to let go of pressure and expectations, giving children a choice – and a chance – to enjoy reading. A letter from our English Lead in school, Miss Cook, will be sent out shortly outlining what we will be doing in school to celebrate *World Book Day 2024*.

The West Grantham Secondary Academy recently had their Ofsted inspection, and I am delighted to share that they were graded as Good with Outstanding features. The team are always keen to welcome families into their school and to show them around their amazing facilities, so please do get in touch with their school office if you would like to arrange a tour.

I am looking forward to what I am sure will be another amazing week at WGPA!

Mrs Smyth

Key diary dates for Term 4:

Monday 19th February

Start of Term 4

Tuesday 20th February

EYFS writing workshop 2.30pm

Thursday 22nd February

Year 3 Class Assembly

Friday 1st March

Wednesday 27th March

EYFS Class Assembly

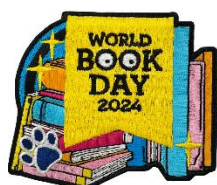

Thursday 28th March

Last Day of Term 4 and Values Awards

Tuesday 16th April

First Day of Term 5

Every Wednesday Café drop in led by our Pastoral team in school

Your child will be bringing home a World Book Day voucher this week. The voucher can be exchanged in Asda, WHSmith, Tesco, Sainsburys and The Works.

We will also be holding a competition to see who can be photographed in the most unusual place whilst reading a book!

In Science Year 6 created their own air-powered rockets. They followed a set of instructions to make it, and then they held a competition to see whose rocket went the furthest! The children then made adaptations to see if they could make their rockets go even further!
