

This week at WGPA ...

Term 5 – Monday 29 April 2024

WEST GRANTHAM
Church of England Primary Academy

Dear families,

We were incredibly lucky to be joined by Emma Sharpe from Inspire Plus last week. She joined in with the children playing at lunchtime, and she commented on how enthusiastic and keen the children were to join in with the different activities. Emma will continue to visit school weekly to further develop a wealth of activities for the children to take part in during break and lunch times.

Rev Andy Acheson, from St Annes, led our Wednesday collective worship, who talked about the importance of Trust. The children were keen to talk about the importance of trust and could name friends and staff that they trust in school. We look forward to welcoming Rev. Andy back into school again soon.

Our Year 5 and 6 children auditioned this week for our Summer Performance of 'Yeha', this is definitely set to be our best show to date! The children showed tremendous courage and ambition as they read their lines and sung the showcase song, we truly have some future performers at WGPA. We do hope that you will be able to join us to see the final show in July.

The pastoral team are working on their next workshop, they are keen to hear from you as to what you would be interested in them focusing on - they are always available so please do share your ideas.

Have a lovely week,

Mrs Smyth

Year 4 went on an invertebrate hunt! They are learning about the classification of animals. The children went on a hunt to see how many invertebrates they could find in their habitats. They found worms, woodlice, spiders, ladybirds, slugs, ants and beetles!

Mr Hardy took a group of children to PGL last week. The children encouraged each other to be ambitious! The children showed a tremendous amount of courage when using the giant swing! Well done to all!
