## Statement of intent

The West Grantham Church of England Primary Academy is a vibrant, enthusiastic, forward-thinking and safe learning environment in which pupils are given every opportunity to complete a fulfilling education.

We believe that homework plays an important part in education and the benefit of doing homework must be instilled at an early age so that independent study can be achieved. We firmly believe that education at school is just the first step in a rich and fulfilling life-long learning experience.

We are also aware that pupils have opportunities and experiences outside of school that are equally important in developing and enriching their lives. We will give careful consideration to ensuring homework is well-balanced across the school.

This policy was developed in consultation with staff members, parents and pupils, and with the full agreement of the Governing Body.

## **The school's approach to homework**

The school understands that setting, marking and providing feedback on homework is a large contributor to the workload of teachers; therefore, Key Stage leaders and teachers will ensure that homework is only set to positively impact pupils' progress.

Prior to homework being set, teachers will ask themselves, 'Why am I setting this homework?' and 'How will this homework be useful to the pupil?' If the answers to these questions do not reflect a positive impact on pupils' learning, teachers will use their professional judgement and decide whether the homework is necessary.

If a teacher has a query, the senior leadership team will offer guidance and support regarding the school's procedures.

Teachers will explain the school's approach to homework to parents at the first parents' evening of the year. A termly project-based homework will be shared in the first week of the new term on the Key Stage curriculum newsletter.

Every term, each year group will be informed of what is expected of them with regards to homework.

Every term, the curriculum newsletter will inform parents about the main topics and units of work being covered, along with key vocabulary to support their child.

Pupils will receive some homework on a weekly basis which will be returned at the time and date as specified by the class teacher. Other project-based pieces of homework will span a whole term.

Homework will be marked every week and returned to the pupil.

Parents will be encouraged to discuss any errors with their child. If they have any queries, they should make an appointment to see their child's teacher. Feedback from parents about their child's homework will also be welcomed by the school.

The amount of homework set for pupils will increase as they progress through their education.

Teachers will occasionally set extra homework for the whole class if they deem it beneficial.

## Absences

If a pupil is absent from school due to illness or medical reasons, the school will not supply work for these periods – pupils should be well enough to undertake any work supplied.

There may be exceptions to the above and the classroom teacher will decide whether homework should be set on a case-by-case basis.

If a pupil is absent for a long period of time, the teacher and the parents of the pupil will agree on what should be done and how much help should be provided.

Absences when homework is set and due will be managed in line with the school's Attendance and Absence Policy.

## Pupils who fail to complete homework

All pupils will be expected to complete homework on time.

Teachers will keep records of pupils completing homework which are regularly checked.

If pupils fail to complete homework, teachers will contact parents to find what the reason for this is.

Teachers will make efforts to support pupils who are struggling to complete homework and will raise any concerns regarding their pupils' ability to complete homework to the headteacher and/or parents as appropriate.

Pupils who refuse to complete homework will be disciplined in line with the Behaviour Policy

## Marking homework

Homework will be marked in accordance with the school's Marking and Feedback Policy .

Occasionally, homework will be marked orally with the pupil or class.

## Pupils with SEND

A balanced approach to homework will be adopted for pupils with SEND, in consultation with the pupil's parents and the SENCO.

Where appropriate, the school will set adjusted or specific tasks for pupils with SEND as outlined in their individual education plans.

While pupils with SEND may benefit from adapted tasks separate from the homework received by other pupils, they will also complete as much standard homework as possible.

Pupils with SEND will be supported in accordance with the school's SEND Policy.

## **Equal opportunities**

The school will ensure that it provides the full range of opportunities for all pupils, regardless of gender, sex, disability, sexual orientation, ethnicity and social, cultural or religious background.

All pupils will have equal access and inclusive rights to the curriculum regardless of their gender, race, disability or ability.

## **Monitoring and review**

This policy is reviewed annually by the headteacher.

Any updates to this policy will be shared with parents, pupils and staff.

The scheduled review date for this policy is July 2025.
