

# This week at WGPA ...

Term 2 – Monday 4 November 2024

**WEST GRANTHAM**  
Church of England Primary Academy

Dear families,

Our church school value this term is belief, as a school we encourage children to believe in themselves and to aim for the stars! We are keen to know about children's interests and talents out of school and would love to celebrate any achievements with them, please share these via class dojo.

Your child's class teacher will share their curriculum newsletters with you this week, which will inform you about what your child is learning this term along with homework projects for you to get involved in. If you have any questions about the new topic and novel, please do not hesitate to make direct contact with your child's class teacher.

It is important that your child is heard to read regularly and that they are practising their spellings and accessing Numbots/ TT Rockstars online. As always support is on hand if needed.

We are currently looking at wrap around care and what we could offer, and your voice is incredibly important to us. Mrs Douglas will therefore be sharing a survey via Parent Mail, if you could please spare a few minutes to complete that would be greatly appreciated.

As you can see by the number of dates listed this term is going to be a very busy one. We look forward to welcoming you into school for a variety of events.

Enjoy your week,  
Mrs Smyth

## Key diary dates:

Monday 4<sup>th</sup> November

Mini Police Y5&6 Assembly

Thursday 7<sup>th</sup> November

Y5&6 Mixed Football Tournament  
(by invitation only)

Week beginning Monday 11<sup>th</sup> November

Performance

Friday 13<sup>th</sup> December

Christmas Jumper Day and  
Christmas Lunch

Our school Value this term is 'Belief'.

We have unwavering confidence in  
ourselves, in others, and in our  
capacity to succeed.

*'All things are possible to him who  
believes' Mark 9:23*

We are delighted to have been selected to work with the independent charity National Numeracy on an exciting project which encourages children and families to do maths together.

As part of the project, we will be introducing National Numeracy's Family Maths scrapbooks and activities. These are activities that help children and families to explore everyday maths at home together. They link to the maths that children are learning at school with life outside the classroom.

If you would like to increase your confidence in supporting your child with maths, we are holding a parent workshop on Monday 4<sup>th</sup> November at 2:30pm where you can explore the bank of resources available to you.
