

This week at WGPA ...

Term 3 – Monday 13 January 2025

WEST GRANTHAM
Church of England Primary Academy

Dear families,

Thank you for your patience and support last week, the weather certainly provided many challenges! The weather forecast appears better for this week, however please do make sure that your child still comes to school with a warm Winter coat. We do have a number of spares, if needed please just speak to a member of our pastoral team.

Children engaged well with their new novels last week, there were some very exciting learning activities taking place! Year 3/4 braved the cold and launched rockets on the school field. EYFS were grateful of the cold spell last week as it launched their hot and cold topic perfectly. Curriculum newsletters will give you an insight into the learning that takes place, I am looking forward to seeing the wonderful homework projects when they are brought into school.

Inspire Plus have loaned us a trailer of wheelchairs for us to use in our PE lessons, this will provide children with an insight into how life is for individuals who have a disability, whilst having tremendous fun. Staff had a truly wonderful time when Carl came in to deliver a bespoke CPD session with the wheelchairs, some staff are incredibly competitive!

We came together last week to remember Graham. The love and compassion shone through, we are a truly special family at WGPA. Graham will never be forgotten.

Enjoy your week, Mrs Smyth

Key diary dates:

Tuesday 14th January

Swimming starts for 5/6D

Thursday 16th January

Boccia Tournament

EYFS Walk to the local park

Week beginning 3rd February

Mental Health Awareness Week
