

This week at WGPA ...

Term 4 – Monday 31 March 2025

WEST GRANTHAM
Church of England Primary Academy

Dear families,

We are looking forward to welcoming you into school this week. If you have not managed to make an appointment to see your child's class teacher there is still time, please log onto Parent Mail to complete an online booking. If you experience any difficulties please ask for help at main Reception.

Year 5/6D are looking forward to their class assembly on Thursday, they have been busy practising!

The Easter Raffle will be drawn during our values assembly on Friday, there is still time to get your tickets from Mrs Mammatt, who will be selling them before and after school each day this week.

This week our Year 5 and 6 pupils will be undertaking a Geography field trip. This will involve them following a pre-planned walking route between all of the secondary schools in Grantham.

As our term draws to a close it is important to pause for a moment and to reflect on all of the positive achievements we have accomplished at WGPA. We have had several children who have become published authors, children that have taken part in a range of sporting activities, numerous enrichment trips and of course welcoming our Afghanistan children into our school family. Our value of focus next term is 'ambition', I for one am excited to see what next term brings!

Enjoy your Easter break, Mrs Smyth

WGPA wish to extend a massive THANK YOU to Fred Jones of Grantham Chess Club who has personally provided our school chess club with 8 brand new chess sets. These sets will allow our pupils to learn the game as part of our new 'Courageous Advocacy' programme that will be starting after the Easter holidays.

Whether they are absolute beginners or the next grand master, our pupils now have the opportunity to enjoy the game and all the additional skills and knowledge it brings. Thank you, Mr Kitchen, for organising and sourcing the chess sets for our school!

The Reception class had a fantastic time visiting Little Jack's Farm a couple of weeks ago. The children were beautifully behaved, they loved stroking and feeding the animals and learnt more about plants by planting their own pumpkin seed to look after at home. The amazing sunny weather helped to make our day extra special, and the children loved exploring the play area and travelling in the minibus.

The journey back was certainly quieter than on the way!
