

Our Christian value this half term is 'Integrity'.

'The integrity of the upright guides them' Proverbs 11:3

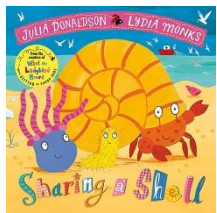

Nursery Summer Term 2

Termly Theme: Beside the Sea

Home learning:

- Read to your child as often as possible with their reading for pleasure book.
- Practise counting to 10 and beyond.
- Go on a shape hunt- can your child spot a square, circle, rectangle or triangle?

Our key texts are:

As writers we will be:

Continuing to mark make using different tools and materials including paint, chalk and pens. We will also be taking part in daily funky fingers activities to improve our strength in our fingers to prepare us for early writing.

We will also be continuing to practice writing our names. Please remember to use a capital letter at the start and the rest of the name needs to be lower case letters.

To support our physical development we will:

Continue to use our outdoor area to improve our movement and spatial awareness skills. The children have use of the climbing frame, bikes and PE equipment during choosing time. The children will also be supported to practice their balancing skills.

The children also use the digging area and large construction materials to improve their co-ordination and gross motor skills.

We will compete in the school sports day on Tuesday 27th June.

We are understanding more about the world we live in by:

- Learning about caring for the environment and working as a team to help litter pick around our school.
- Thinking about key celebrations that happen throughout the year and talking about who is special in our lives.
- Comparing where we live to the seaside and noticing similarities and differences.
- Using clay to make a model using new tools and techniques.
- Exploring different sea habitats.
- Creating postcards to send to someone special.

Key words - Litter, recycle, rubbish, litter pick, sea, ocean, summer, hot, similarities, differences, compare, clay, model, creatures, crab, postcard.

As a school between Monday 12th June and Friday 16th June we will be learning about healthy eating and the importance eating a healthy diet. The pastoral team will be running some workshops to support this. What new fruit or vegetable could your child try?

As mathematicians we will be:

- Exploring size, weight, length and capacity.
- Learning about the value of numbers up to 5.
- Learning the names of 3D shapes, including, sphere, cylinder, cube, cuboid and cone.
- Singing counting rhymes.

Key words – heavy, light, full, empty, half full, big, biggest, small, smallest, shapes

As valuable members of our class we will:

- Continue to be kind and caring towards our friends.
- Respect and celebrate each other's differences
- Express our thoughts and feelings to help us resolve conflicts and seek comfort.
