

Our Christian value this half term is Integrity 'The integrity of the upright guides them' Proverbs 11:3

Year 6 Summer Term 6

Enquiry Question: Does everyone have the right to freedom of thought, conscience and religion?

Home learning project: Produce a playscript for a story you are familiar with, or make up your own story, which can be performed.

<p>Our key text is:</p> <p>Orphans of the Tide by Struan Murray</p> 	<p>As writers we will:</p> <p>Write a historical narrative between Macbeth and Lady Macbeth. Complete an author study and write a biography about Struan Murray. Write a playscript using a scene from our focus text.</p>	<p>Key words for this half term are:</p> <p>Science: environment, adaptation, survival, inheritance, characteristics, natural selection, fossils, remains, preserve, palaeontologists.</p> <p>Geography: tectonic plates, Ring of Fire, earthquake, tsunami, displace, ecosystem, immigrant, migrant, push factors, pull factors.</p>
<p>As mathematicians we will:</p> <p>Interpret and draw a range of graphs including line graphs, bar charts and pie charts. We will also be drawing, measuring and finding angles in triangles and quadrilaterals, as well as translating and reflecting shapes in a quadrant.</p>	<p>As geographers we will:</p> <p>Locate the Ring of Fire on a world map and compare locations of tsunamis. We will explain how global warming has been linked to an increase in natural disasters and investigate the push and pull factors of migration.</p>	<p>In Art we will:</p> <p>Focus: Hokusai – The Great Wave Look at colour theory and then use and justify our use of colour. Represent 3D form with the use of tone and recreate our own Great Wave.</p>
<p>As scientists we will:</p> <p>Explain the concept of natural selection and adaptation. We will also look at how fossils provide information about the changes to living things over time.</p>	<p>In RE we will:</p> <p>Continue to focus on expressing beliefs through the arts. Then plan and produce a piece of art for the Spirited Arts competition.</p>	<p>In PHSE we will:</p> <p>Describe the characteristics of a healthy family life and recognise the importance of respect in all relationships including ways to resolve conflicts. Finally we will discuss how a person's body belongs to them.</p>
<p>In PE we will:</p> <p>Focus on cricket. Learn how to strike a ball into a space so we can score runs and when fielding, learn how to keep the batters score low.</p>	<p>In computing we will:</p> <p>Investigate how to use spreadsheets using excel. We will also address the negative impact that social media can have on mental wellbeing and know how we can protect ourselves.</p>	<p>In MFL we will:</p> <p>Learn weather phrases and play games to practice them. Learn the names of ice cream flavours and look at language to enable us to order an ice cream.</p>
