

This week at WGPA ...

Term 6 – Monday 7 July 2025

WEST GRANTHAM

Church of England Primary Academy

Dear families,

Our transition week in school was incredibly successful, we are looking forward to September already! It was lovely to hear the stories that our Year 6 children shared after their time in their new secondary schools.

The chess group, that run as part of our enrichment activities in school, will be in the Hope Café on Tuesday afternoon at 2pm, if you would like to join them for a game they would love to welcome you.

Preparation for our leaver's celebrations for our Year 6 children are underway. Awards are being prepared, I wonder who will be awarded what this year? The Year 6 end of year disco will be a fun night with a DJ, snacks, and games. It will be a wonderful opportunity for the children to spend some time together to celebrate the end of their primary school journey.

Our annual Summer Fayre will take place on Wednesday, be sure to purchase your raffle tickets, there are some amazing prizes up for grabs! There will be a selection of activities; bouncy castle, stocks (I wonder who will be in them this year?), a BBQ, face painting, tombola, selection of games, and so much more!

I hope that you all have a lovely week and hope to see you on Wednesday after school!

Summer Fayre

Wednesday 9th July 2025

A range of activities are planned; BBQ, face painting, bouncy castle, tombola, raffle, a variety of games, and so much more!!!

Pirates of the Curry Bean - The pirate musical that's sure to make you giggle! The year 5 and 6 children will be performing the show on Wednesday 16th July at 5pm and on Thursday 17th July at 2pm.

This year, tickets are free and will be available from the office
Tickets are limited to 2 per family.

Cheeky Chops have been kind enough to provide us with the music and script but will not be supporting us in providing costumes or stage props this year.
Everything has been made by the amazing staff within our school!!

During transition days in Year 3/4, they introduced a topic that they will be focusing on next year: Bridges. The classes were split into mixed teams of y3 and y4 and were given limited equipment to see who could make the strongest bridge. It was a wonderful afternoon of collaboration and excitement. Everyone tried their hardest to create the strongest bridge they could.

We were very proud of their achievements.
