

This week at WGPA ...

Term 1 – Monday 29 September 2025

WEST GRANTHAM

Church of England Primary Academy

Dear families,

Last week saw many exciting learning activities taking place! As you can see below Brian Bones visited Year 3/4, year 5 and 6 wrote a selection of sensational setting descriptions and Key Stage One enjoyed exploring their novel further. Our EYFS class have settled well into school routines, they are busy learning their sounds with Fred the frog, this will help them to start their journey of learning how to read.

Now that the weather is getting colder can you please ensure that your child has a coat (with their name clearly written on the inside) in school each day.

If incidents happen in school, can I please request that you speak directly to your child's class teacher. If there is an incident involving another child, please do not contact the child or their parent directly.

A reminder that our Year 6 children will need to come to school each Wednesday in their PE kits, as we believe this will support the children to get changed quicker and will be easier in the colder months.

Our pastoral team will be holding a workshop during the last week of term, the focus will be on children's mental health and strategies that can be used at home. Details will be posted on class dojo this week.

Have a lovely week,

Mrs Smyth

Key diary dates:

Monday 29th September

NHS immunisations in school

Monday 29th September

Thursday 16th October

Harvest Festival

Friday 17th October

Last day of term 1

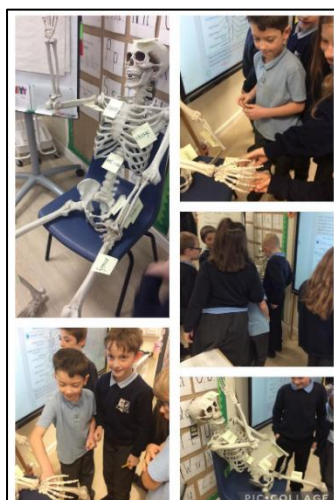

Monday 3rd November

First day of term 2

National Teaching Assistant Day- 26th September 2025

We took the opportunity to thank and tell our TA's how amazing they are, and how we truly value everything that they do at WGPA!

Thank you to each one of our TA's 😊

'In Science (Year 3/4), Mr Brian Bones came to join us in the classroom to help us explore skeletons. We learnt about hydrostatic skeletons, exoskeletons and endoskeletons. We also learnt that not all creatures have a spine. Humans do and so we are in the vertebrates category'

Mrs Walledge
