

This week at WGPA ...

Term 1 – Monday 6 October 2025

WEST GRANTHAM

Church of England Primary Academy

Dear families,

Last week saw many visitors in school, our CEO visited on Tuesday and shared that it was a 'privilege' to support and to work with our wonderful school. Our Trust advisor, Sam Robinson, was incredibly complimentary of the engagement and motivation of our children and staff. We are truly blessed to be part of the SNMAT family.

Year 3/4 are due to make their own suspension bridges in their DT lessons, a few resources were shared on their class dojo page, if you can support in any way that would be greatly appreciated.

Parent consultation appointments have been released on ParentMail. It is extremely important that you attend these appointments as they provide key information on your child's progress and attainment. Ideas are shared on how you can support your child at home. If you are unable to attend for any reason please contact your child's teacher through class dojo to discuss possible alternatives.

Please do share the date for our Reception 2026 New Starter open week, 13th-17th October, with your family and friends. A tour of our school in action will be conducted, during which we will be happy to answer any questions.

We are looking forward to another busy week in school.

Best wishes,

Mrs Smyth

Key diary dates:

Friday 10th October

World Mental Health Day

13th- 17th October

Reception Open week for New Starters 2026

Tuesday 14th and Wednesday 15th October

Parents Consultations

Thursday 16th October

Harvest Festival

Friday 17th October

Last day of term 1

Monday 3rd November

First day of term 2

Wednesday 5th November

PTFA Jumble Sale

Friday 21st November

Children in Need

Wednesday 10th December

Christmas Fayre

Year 2 had an excellent time on Wednesday following instructions on how to make a jam sandwich and then eating it! They are going to use this to help write their own instructions over the next few weeks so that they can tell others the steps to take - Miss Cook

Year 5/6 are currently reading Skellig in class and throughout the book it mentions that the character eats flies and other insects. The edible insects went down a treat! The barbecue flavour was a clear favourite!

There were even some spare crickets available at the end of the day for anyone who wished to try them!

Mr Hardy and Mrs Storey
