

This week at WGPA ...

Term 2 – Monday 3 November 2025

WEST GRANTHAM

Church of England Primary Academy

Dear families,

Our church school value this term is **belief**, as a school we encourage children to believe in themselves and to aim for the stars! We are keen to know about children's interests and talents out of school and would love to celebrate any achievements with them, please share these via class dojo.

Your child's class teacher will share their curriculum newsletters with you this week, which will inform you about what your child is learning this term along with homework projects for you to get involved in. If you have any questions about the new topic and novel, please do not hesitate to make direct contact with your child's class teacher.

It is important that your child is heard to read regularly and that they are practising their spellings and accessing Numbots/TT Rockstars online. As always support is on hand if needed.

During the holidays our Trust has supported in the installation of a new CCTV system in school. This has been implemented in all of the SNMAT schools to enhance security on site.

As you can see by the number of dates listed this term is going to be a very busy one. We look forward to welcoming you into school for a variety of events.

Enjoy your week,

Mrs Smyth
