

This week at WGPA ...

Term 4 – Monday 2nd March 2026

WEST GRANTHAM

Church of England Primary Academy

Dear families,

I hope that you have managed to watch the 'masked reader'! The grand reveal will take place during the assembly on World Book Day and the competition winner will be announced. A big thank you to Ms Gliddon for organising. I wonder who the masked readers will be????

Over the next few days the children will be coming home with their £1 book token. These can be used in stores such as Asda and The Works to buy a free World Book Day Book. You can also use the vouchers to order a book online at <https://www.books2door.com/collections/world-book-day> It would be great if you could bring your chosen books into school and share these with your friends.

We entered a writing competition that was organised by our SNMAT trust, over 30 Primary Schools took part. I am delighted, and incredibly proud, to share that Edison won first prize in Year One, Theo F won first prize in Year Four and Ben's entry in Year Six was highly commended!! A fantastic achievement to all involved, well done.

Please remember that our school is nut-free. There are children in our school who have severe nut allergies. Please ensure your children's lunchboxes contain no traces of nuts. This includes popular chocolate spreads and pastries/biscuits that contain it as a filling.

It is set to be a busy week at WGPA, I am especially looking forward to World Book Day on Thursday!

First Day of Summer Term 1

Thursday 5th March is World Book Day. Children are invited to come to school wearing something red with their school uniform. This could be anything from a bow in their hair, a red scarf/hat, or red socks or a red jumper may be worn over the school t-shirt.

Red? Why red?? Have you been listening to our masked reader videos!?

Year 4 were very fortunate to be joined by a member of the Inspire+ team who came to deliver some active maths with them. The lesson focused on times tables knowledge where the children competed in teams against each other. The children came in from this activity extremely happy saying they had 'So much fun!'

These sessions will continue every Wednesday this term giving all the Y4 children chance to attend and get active with maths.
