

This week at WGPA ...

Term 4 – Monday 23rd March 2026

WEST GRANTHAM

Church of England Primary Academy

Dear families,

Our Jumble Sale raised £250! Thank you to all who donated and to all who came along to support this event. A massive thank you to our wonderful PTFA, the money raised will be going towards our next exciting adventure!

Year 5/6H led a sensational class worship last week, they spoke with confidence and showed our value of love in all that they shared. We are looking forward to watching 5K's class worship on Thursday.

There were many crazy and wonderful hairstyles on Friday, money was raised in support of Comic Relief. The children were all aware of what the money raised would support, enabling them all to become agents of change in the wider world!

Our values awards are taking place on Friday, the way in which our children and staff demonstrate our values each and every day makes our school the special place that it is. We are looking forward to celebrating individual's achievements, our termly above and beyond award will also be presented to a truly valued member of our staff team (an incredibly difficult choice due to the commitment and dedication that all show on a daily basis).

As we approach the last week of term I would like to thank you all for your continued support. The Summer Term is set to be a busy one, from statutory tests to transition events and Sports Days!

I hope that you all have a lovely Easter Break next week.

Mrs Smyth

Key diary dates:

Tuesday 24th March

Animal Experience in school for EYFS

Thursday 26th March

5K Class Assembly

Friday 27th March

Values Awards

Friday 27th March

April

Parent Consultations

Monday 4th May

Bank Holiday Monday- school closed

Monday 11th May- Thursday 14th

May

KS2 SATS week

Monday 18th May

LKS2 Virtual Author Visit

As part of Science Week, Mr. Kitchen brought in his stick insects! What an amazing experience to hold and learn about these fascinating creatures! Some liked the experience more than others!

#Curiosity

We applied and were successful to receive 30 trees from The Woodland Trust. The Eco Club enthusiastically took on the challenge of planting them on our school field and will continue to look after and care for them. They will be a lovely addition to our school grounds. - Mrs Thacker
