

This week at WGPA ...

Term 4 – Monday 9th March 2026

WEST GRANTHAM

Church of England Primary Academy

Dear families,

World Book Day was enjoyed by all, well done to all who correctly identified the masked readers, a special congratulations to Henry Cunnington who won the grand prize last Thursday. The children engaged well with all of the activities throughout the day, many are still searching for the Gruffalo who is believed to have taken the books from the Year One classroom!

Last Friday saw the start of British Science week with the theme of 'Curiosity: what's your question?' Mr Kitchen visited each class to show us his stick insects. Lots of the children had curious questions to ask about these fascinating creatures and they used our value of courage to try holding one. What a fantastic experience!

Please come and join us to buy some delicious cakes on Tuesday 10th March at 3pm to help raise money for #TeamSeas which is a charity that helps remove litter from our oceans. Mrs Walledge's enrichment group have worked hard over the last few weeks, creating posters, delivering a collective worship and completing a litter pick to show their dedication to this cause.

On Wednesday 18th March, it will be the return of... Mrs Mammatt's Amazing Jumble Sale!!!! Doors open at 3.15pm. Donations welcomed (donations to be dropped off on either Monday 16th or Tuesday 17th March only, please).

Year 3/4A will be leading collective worship this week, we hope to see you on Thursday morning at 9am.

Mrs Smyth

Key diary dates:

Monday 9th- Friday 13th March

Thursday 26th March
5K Class Assembly

Friday 27th March
Values Awards

Friday 27th March
Last Day of Spring Term 2

Monday 13th April
First Day of Summer Term 1

Our Nursery children embarked upon a bug hunt, finding creatures in outdoor environment.

If you have a child that is 3 years old, or close to 3, and you would like them to join our school Nursery please arrange a tour at the school office. We now offer flexible hours, these can be discussed with Mrs Thacker.

During our enrichment session last week, Community Heroes and Eco-Warriors joined forces to complete a litter pick. They worked for an hour clearing litter around the perimeter of the school. 6 bags of rubbish and a watering can were collected en route. The enthusiasm shown to want to love their environment and be agents of change was impressive. Well done everyone!
