

# This week at WGPA ...

Term 4 – Monday 20<sup>th</sup> April 2026

WEST GRANTHAM

Church of England Primary Academy

Dear families,

Last week saw an amazing start to Term 5 at WGPA. In Year's 2 and 5 we saw active maths sessions taking place, Year 2 answered a selection of multiplication questions in order to crack the code that Miss Cook had hidden! Year 5 were classifying different types of angles; however they have now been caught drawing on the desks! Both year groups had great fun completing their maths challenges.

Our pupils have now achieved the GOLD AWARD from the Rail Safe Friendly Programme and Network Rail for producing a podcast about Rail Safety. Well done to all the pupils involved and a special thank you to Mrs. Bromfield for supporting the pupils.

This week in school we are hosting parent consultations, these meetings are incredibly important as they showcase areas in which your child is achieving well in, as well as sharing areas for improvement- giving practical ideas of how you can further support at home. Appointments are still available please contact your child's class teacher to arrange a time.

Your voice is incredibly important, I will be sending out a parent form to gather your thoughts and opinions, I would be grateful if you can take 5 minutes to fill this in so that we can identify strengths and areas that you as parents feel need further development.

Enjoy your week,  
Mrs Smyth
