

Our Christian value this half term is **INTEGRITY** “The integrity of the upright guides them” Proverbs 11:3

Year 3&4 Summer Term 6

Enquiry Question: Can ambitions be misguided?

Home learning project: Complete athletic tasks such as timing how fast you can run a certain distance. Measuring how far you can throw an object or see how far you can jump. Record your results to compare with friends.

<p>Our key text is:</p> <p>Stormbreaker</p> <p>Anthony Horowitz</p> 	<p>As writers we will:</p> <p>Complete our own adventure story using visual literacy from Spyfox.</p>	<p>As musicians we will:</p> <p>Listen to the focus piece of music by Alan Parker to understand how different textures of music can change the mood in a piece. We will also create our own piece of 'spy' music.</p>
<p>As mathematicians we will:</p> <p>Year 3</p> <p>We will be adding and subtracting money in pounds and pence.</p> <p>We will explore 2D and 3D shapes, thinking about each of their properties.</p> <p>We will explore the use of tables and charts to collect and display data.</p> <p>Year 4</p> <p>We will complete the MTC.</p> <p>We will explore position and direction and finish the year looking at statistics.</p>	<p>As historians we will:</p> <p>Complete a thematic study on significant inventors.</p>	<p>In DT we will:</p> <p>We will use sewing skills to make a protective spy glove. We will research suitable fabrics that will protect Alex Rider's hands and stitch together pieces of fabric to create the glove. Finally, we will evaluate our work.</p>
<p>As scientists we will:</p> <p>Focus on electricity. We will know how to work safely with electric, build basic electrical circuits and do an investigation to recognise the impact of insulators and conductors.</p>	<p>In RE we will:</p> <p>Continue to focus on forgiveness by comparing what different religions do to recognise the significance of forgiveness.</p>	<p>In PHSE we will:</p> <p>Examine how choices will impact our physical and mental wellbeing and look at the impact of being part of a community.</p>
<p>In PE we will:</p> <p>Focus on athletics. Each week, we will develop our basic skills of running, jumping and throwing. We will also take part in Sports Day.</p>	<p>In computing we will:</p> <p>Have a look at hardware and graphing. We will also recognise the impact social media can have on wellbeing.</p>	<p>In MFL we will:</p> <p>Year 3</p> <p>Revisits colours and numbers and explore names of possible locations for a picnic.</p> <p>Year 4</p> <p>Learn weather phrases and the names of ice cream flavours. We will also design our own perfect ice cream.</p>
