

This week at WGPA ...

Term 4 – Monday 11th May 2026

WEST GRANTHAM

Church of England Primary Academy

Dear families,

SATs tests will be taking place from today, Monday 11th May, to Thursday 14th May. We would like all of the Year 6 children to come to breakfast club on all of these days. Breakfast club starts at 7:45am and we would like all of the children in school by 8:20am. Children do not need to attend for the whole session as long as they are in school by 8:20am. Children will be provided a breakfast (however they can eat breakfast at home beforehand if they wish) and there will be no charge on these days. They will have the chance to relax with their peers before the tests start.

On Friday, we celebrated 100 years of the amazing David Attenborough with a live assembly. There were over 1,000,000 children watching from around the world, all in awe of the amazing work he has done and continues to do, to help us look after the wonderful world we live in.

Unfortunately, there has been a big increase in children bringing things in from home. Any items such as stationery, focus toys etc will be provided by school if necessary and are not to be brought in. This ensures that the right equipment is being used by the right children and prevents any falling out or upset when items get swapped or lost.

Following the wonderful success of Year 1's collective worship we are looking forward to Year 2 showcasing their talents on Thursday. The feedback last week was amazing, thank you to for taking the time to reflect and write your comments, we continue to gather feedback after each class worship.

Enjoy your week, and good luck to our Year 6 children! Mrs Smyth

Last week, in reading, Year 3/4 found out that the main character - Alex Rider - had a tough decision to make. Does he stay and be a spy at the training camp or leave to live in an institution away from all of his current friends? The children split into class teams to argue our points by creating a Conscious Alley. Team 3/4A were crowned the winners by Mrs Coverley who walked the alley listening to all the ideas.

Last week, in Art, Year 3/4 took inspiration from our focus artist Adam Hale. He creates collages using heads of people layered with clippings of newspapers and magazines he finds on the London Underground. Each picture tells a different story. I think you will agree that the children had a good attempt at creating their own images.
