

This week at WGPA ...

Term 6 – Monday 15 June 2026

WEST GRANTHAM

Church of England Primary Academy

Dear families,

What a BUSY week we had last week! So many wonderful memories made!

Watching the opening ceremony of the Mini Olympics was the highlight of my week. The children entered the stadium with such pride and confidence, and Samuel on his drums truly showcased the talent that we have at WGPA! The children, and staff, enjoyed participating in a range of activities throughout the day, we were also extremely lucky that the weather was kind to us.

The London Trip was sensational, updates from staff were coming thick and fast on Friday, the smiles on the children's faces on each photograph were truly heart warming and demonstrated how much they all enjoyed the experience. A special thank you to the staff who made this trip possible and the kind donation from our local councillors which purchased ice-creams for each child.

In Science our Year 3/4 children had lots of fun learning about electrical circuits. They used component parts to create a circuit for the electricity, provided by the batteries, to flow around. Once complete, their circuits managed to light up a bulb, make a buzzer sound and start a motor. Amazing work Year 3/4!

As you can see to the right the diary is looking full for the remainder of this academic year, if you are able to join us for any of the events we would love to see you in school, a special reminder that our annual Summer Fayre is on Thursday 9th July (any raffle and tombola prizes would be greatly appreciated).

Have a wonderful week, Mrs Smyth

London Trip 2026

The children had a wonderful time when they visited London last Friday!

They loved the Science and Natural History Museum; they even managed to squeeze in a little sight-seeing and an ice-cream!

MINI OLYMPICS 2026

Year 3/4 have had an amazing day at the Mini Olympics.

We entered the stadium in true WGPA style representing Kenya.

The children tried many new sports including baseball, badminton and freestyle football, alongside wheelchair basketball and relay races.

This was a fantastic opportunity for the children to get involved and show their sporting abilities!
