

This week at WGPA ...

Term 6 – Monday 22 June 2026

WEST GRANTHAM

Church of England Primary Academy

Dear families,

As I am sure you are aware temperatures are estimated to reach late twenties and potentially will hit over thirty degrees. We will be enforcing our hot weather risk assessment in school this week, this will ensure that school is as cool as it can be and that physical activity will be reduced. Sports Day for EYFS and KS1 has already been moved to Friday, however we will be constantly monitoring the weather and we will aim to provide swift communication if there are any further changes.

Next week we see many of our Year 6 children embarking upon their transition days in their new secondary schools. Children in Reception to Year 5 will find out who their new teacher will be on Wednesday ahead of their transition next week, this will also be communicated to parents via Parent Mail. On Tuesday 30th June the children will also be participating in a sponsored fun run in school, Mrs Coverley and her enrichment group will be sending a letter out shortly that contains further information.

Our class collective worships have been the highlight of our term, 5K were amazing last week, and spoke with confidence showing true courage and belief in themselves. This week Miss Addlesse's class will be leading our school worship, we look forward to seeing as many parents there as possible. The feedback from parents has been overwhelming, thank you to all who have taken the time to share their thoughts.

Have a wonderful week and stay safe in this heat,

Mrs Smyth

Saturday 4th July 2026

Our incredible choir will be performing at the GOSH sing-along event.

The children have been extremely busy learning a new song, and one of our school favourites!

If you are able to come along and support it would be wonderful to see as many of you there as possible. It is set to be a day of music and fun activities.

Lots of memories to be made and shared!
