

# This week at WGPA ...

Term 6 – Monday 8 June 2026

WEST GRANTHAM

Church of England Primary Academy

Dear families,

This week is set to be an exciting (and busy) one! We will be going to the Annual Mini Olympics that Inspire Plus run every year. This year the country that we are representing is Kenya - if you are able to come and see the opening ceremony you will see the wonderful banner that the children have made, plus our showcase entrance (all will be revealed on Tuesday). Parents are welcome to attend at any point during the day, and I am personally looking forward to watching WGPA in action!

We also see the multiplication check taking place for our Year 4 children. Mrs Walledge has shared the importance of logging onto TT Rockstars to practice. Each lunchtime the children are always eager to share what score they are achieving; their ambition and belief in themselves is wonderful to see.

Our Year 1, along with a few Year 2, children are also completing their phonics screening check in school this week, Mrs Gliddon and her team have been busy preparing for the check.

The 3/4W Class Assembly last week was sensational!!! The confidence to which the class performed was impressive, and I think we may have some future actors in the making! 5/6H are presenting their class worship on Thursday, and it would be lovely to see you if you are able to make it.

And we can't forget our trip to London on Friday!

Have a wonderful week,  
Mrs Smyth

At WGPA we love to champion and rejoice  
achievements in and out of school!

At the weekend Holly and her Mum completed a 5K  
inflatable run in London!! A tremendous  
achievement well done Holly we are so proud of  
you! (and your Mum!)

During their history topic of inventors, the children have been learning about George Stephenson and Isambard Kingdom Brunel both of whom were pioneers of their time. They focused on Isambard Kingdom Brunel and looked at some of the things he was famous for, one of which was the Clifton Suspension Bridge. This was a perfect opportunity to revisit their topic of bridges from earlier in the year and the children were challenged to build the strongest bridge they could out of Lego - Mrs Walledge
