

This week at WGPA ...

Term 6 – Monday 20 July 2026

WEST GRANTHAM

Church of England Primary Academy

Dear families,

My final newsletter of this academic year and what a year it has been! We have seen outstanding progress in our Phonics Screening and Multiplication checks, this reflects the hard work and determination of both children and staff. Our KS2 SATS results are on the rise, with external moderation supporting our fantastic writing data in Year 6. The number of trips and experiences that our pupils have benefited from is truly sensational, none of these would be possible without the dedication of our incredible staff! This academic year has been filled with wonderful memories at WGPA!

We are saying goodbye to three valued members of staff at the end of term. Mrs Wood, Mrs Richardson and Miss Cowen, they will be truly missed by all who have been lucky enough to work alongside them, they have impacted positively on so many children's journeys within our school. We wish them every success for the future, and we do hope that they will not be strangers to our school, they will most definitely always be part of our school family! I would personally like to thank each one for their dedication and commitment to our school, we have all been on a tremendous journey together,

Our Year 6 children embark upon the next chapter in September, having taught many of them it has been an honour and privilege to see each one grow and flourish. I am looking forward to the awards ceremony on Tuesday (tissues at the ready!).

Please enjoy your Summer break, if I can be of any support during this time please do message me through class dojo.
Mrs Smyth
